DEMONSTRATED PROFESSIONAL HISTORY

RMK Studios

January 2011 – Present

Owner - Self-Employed Contractor

Marketing freelancer driving affiliate campaigns for companies like HostGator, iPage, and Audible.

Growth Marketing & Search Engine Optimization

- **Top affiliate for Hostgator.com:** Designed and executed affiliate marketing funnels for HostGator, yielding over \$500,000 in cumulative affiliate commissions over 2 years.
- **Youtube & Google SEO:** Ran a coupon website similar to RetailMeNot.com and ranked for hundreds of relevant search terms on Youtube and Google to acquire traffic and convert affiliate offers.
- **Email Marketing:** Developed email capture strategies and marketing flows for multiple daily deal websites.
- **Social Growth:** Grew a community from 0-200,000 in 6 months on the app, Musical.ly (the smaller predecessor to TikTok) through outreach, collaboration, and strategic content creation that acquired several front-page features.
- **Virality:** Coordinated a viral video with 20+ million views across social platforms that led to placements on Twitter News, Cheddar News, What's Trending, The Huffington Post, and more.
